**Journal of Mediterranean and Balkan Intelligence (JMBI), Vol. 10(2), December 2017, 197p.**

The **December 2017 Issue of the JMBI** gathered new insights on intelligence analysis by bringing together multi-sector practitioners. Perspectives from the government, academia and private sectors that address practical and theoretical issues regarding the analytical process have been gathered in this collective volume aimed at identifying common grounds for a cross-domain collaborative debate.
