

GEORGETOWN UNIVERSITY

RESEARCH INSTITUTE
FOR EUROPEAN AND AMERICAN STUDIES

EXECUTIVE TRAINING SEMINAR

“Fundamentals of Intelligence Analysis in Balkan and Mediterranean Studies”

30 June – 12 July 2014

Athens, Greece

The Executive Training Seminar is suitable for current and future intelligence practitioners and provides them with a practical foundation with a best practice approach to intelligence.

The Seminar is primarily focused on those currently or wishing to work as analysts in either the national security, law enforcement, public and private sector contexts. Participants in the Seminar will study topics with a focus on foundation principles of intelligence, intelligence and analytics and operational intelligence.

The Seminar can be completed in two (2) intensive weeks. All reading materials will be provided.

Requirements To Apply: A university degree, and an interview by RIEAS Director.
All classes will be held in English.

Participants attending the “Georgetown University and RIEAS Executive Training Seminar” will receive a **“Certificate in Fundamentals of Intelligence Analysis in Balkan and Mediterranean Studies”** offered directly by the Georgetown University, in Washington DC, USA.

Topics to be covered include:

- Intelligence Analysis
- Crisis Management, Intelligence Reform and Public Policy, Open Source Data Mining,
- History of Intelligence, Ethical and Moral Conduct in Intelligence Operations.
- Chemical, Biological, Radiological, Nuclear and Explosives (CBRNE) Intelligence,
- Cyber-warfare Threats,
- European Case Studies on Reform Policies in Mediterranean and Balkan Intelligence Services.

Persons interested to attend, or for more information on the “Georgetown University and RIEAS Executive Training Seminar”
